BUILDING A BRIDGE CONCERT FOR DONALD ROBINSON

Philadelphia, Pennsylvania, Saturday, February 25, 2012 - The Bridge Builders will launch our inaugural event to show our brotherly love for one of Philadelphia's most beloved music makers, Donald Robinson. This concert will be an evening of song and a celebration of triumph! It will include a silent auction and VIP reception following the concert.

Donald Robinson, who has offered a helping hand to many through his volunteer work and music ministry, has been diagnosed with Non-Hodgkin's Lymphoma. With mounting medical bills not fully covered by medical insurance, he and his family urgently need our support. The Bridge Builders have come together to help lighten the family's burden during this challenging period. Please join us in being a bridge to the great achievements that are yet to come from Donald Robinson.

The concert will take place at Cedar Park Presbyterian Church located at 7740 Limekiln Pike, Philadelphia, PA 19150. Start time will be at 7:00pm followed by VIP Reception / Silent Auction: at 9:00pm. Ticket Donation price is \$25, and the VIP Reception is \$50. The currently scheduled artists to perform are Gerald Veasley, Carol Riddick, Stacey Harcum, Garfield Williams with more world class artists TBA.

In November 2011, we recognized the need of a great musician and friend who was diagnosed with a serious illness. Our hearts were moved to help our friend in need and we realized we could do more by working together than we could separately. This was the birth of The Bridge Builders.
